DECLARATION UNDER 37 C.F.R. 1.68

I, **Ramsay Mussen**, a citizen of the United States, residing at 157 Smith Hill Road, Winchester, Connecticut 06098, declare:

That I made and conceived the invention described and claimed in patent application Serial Number 10/775,905 filed in the United States of America on February 10, 2004, entitled "Method of Repair of Cast Article."

That I made and conceived this invention while employed by UNITED TECHNOLOGIES CORPORATION of Hartford, Connecticut. That the invention is related to the work I am employed to perform and was made within the scope of my employment duties; that the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of UNITED TECHNOLOGIES CORPORATION.

The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

The undersigned inventor declares further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false

statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
